# Hawaii's Most Invasive Horticultural Plants

This is a list of the worst invasive horticultural plants in Hawaii as put forth by the Hawaii State Alien Species Coordinator (Department of Land & Natural Resources [DLNR], Division of Forestry & Wildlife [DOFAW]). It is urged that species on this list not be grown anywhere in the state of Hawaii.

For more information about invasiveness of these & other horticultural plants, the problems they cause, and the criteria by which these species were selected for this list, see the [introductory text](#) for this site.

Questions regarding this list should be directed to the State Alien Species Coordinator, DLNR/DOFAW, 1151 Punchbowl St., Rm. 325, Honolulu, HI 96813; ph. 808-587-0164.
